

PAYROLL

EXPERTS IN SEAMLESS PAYROLL MANAGEMENT

Managing payroll can be time-consuming, complex, and costly. At Nunn Hayward, we take the stress out of payroll so you can focus on running your business. We provide a complete payroll service tailored to suit your business size, structure and compliance needs.

OUR PAYROLL SERVICES

Comprehensive Payroll Management

We handle everything from PAYE registration, employee onboarding, accurate wage calculations, to payslip production and HMRC RTI submissions, ensuring your payroll runs smoothly and on time.

Flexible Payroll Processing

Payroll schedules tailored to your business needs weekly, fortnightly, monthly, quarterly, or annually including all pay types such as overtime, bonuses, commissions and deductions.

Statutory Payments & Compliance

Administration of statutory maternity, paternity, adoption, and sick pay, as well as redundancy payments, with guidance on eligibility, documentation and claims for reimbursements.

Pension & Auto-Enrolment Services

Full management of employer pension duties, calculation and submission of contributions, monitoring of compliance and re-enrolment dates, and guidance for new PAYE employers.

Expert Support & Peace of Mind

Specialist payroll knowledge, accuracy, secure handling of sensitive data, scalable services for businesses of any size and a dedicated team providing ongoing support whenever needed.

WHY CHOOSE NUNN HAYWARD?

At Nunn Hayward, we take the stress out of payroll with a fully managed, compliant, and reliable service tailored to your business.

Specialist Knowledge - Our payroll team are experts in UK payroll legislation.

Accuracy & Compliance - Avoid HMRC penalties with accurate calculations and on-time submissions.

Time Saving - Free up your time to focus on business growth while we handle the administration.

Cost-Effective - No need for costly payroll software or in-house payroll staff.

Confidential & Secure - We use secure systems to protect sensitive employee data.

Scalable Support - Whether you have 1 or 500 employees, our systems grow with you.

Personal Service - A dedicated contact who knows your business and responds quickly to queries.

WHO WE WORK WITH

Start Ups

Getting payroll and pensions right from day one.

Small & Medium-Sized Enterprises (SMEs)

Looking to outsource payroll for efficiency and compliance.

Complex Payroll Structures

Businesses with shift work, varying pay rates, or multiple locations.

Growing Businesses

Scaling payroll processes as your team expands.

HOW WE WORK

We take a personal, proactive approach getting to know your business so we can provide a seamless, efficient service that fits your needs. Our team works closely with you to ensure everything runs smoothly, with clear communication and reliable support at every step.

Initial Consultation - We assess your current payroll setup and needs.

Tailored Proposal - A package of services built specifically for your business.

Ongoing Support - Prompt, friendly assistance whenever you need it.

Seamless Transition - We manage the handover from your existing payroll process with minimal disruption.

WE CAN HELP

We provide practical, expert support to make payroll simple and stress-free. From setting up PAYE and managing statutory obligations to handling pensions and payslips, we ensure your business stays compliant while freeing you to focus on what matters most. Call us on **01753 888 211** or email info@nhlp.com, we are here to help.
